

Young Professional/Career Professional **Speak-Off Competition**

The topics for the Speak-Off Competition at the 2021 State Convention are as follows:

1. What are some of the biggest challenges that women face today? How do you see these changing in the next 10 years?
2. If you could meet any influential woman, past or present, who would you choose and what would you ask her?
3. What do you feel was the most influential moment in women's history, and why?
4. The Vice President of the United States will be a woman for the first time in history. What impact do you feel that will have on the role of women in the workplace and/or in politics?
5. Do you feel that gender inequality exists in the United States? Why or why not?
